Dear Calli,

On behalf of the Program Committee for the 2025 AABA annual meeting, I am pleased to inform you that your abstract:

Associations between Age at First Birth and Bone Mineral Density in premenopausal, perimenopausal individuals

has been accepted into the **poster** session *Poster Session 29: Late Breaking Science*. Congratulations! This session is scheduled for Saturday, March 15, 2025. .

Thank you for submitting your research for the AABA 2025 conference. I look forward to seeing you wearing it in Baltimore at #AABA2025!

Sincerely,

Amy L Rector

AABA Vice President and Scientific Program Chair
